JUDGMENT

Since the complaint is only about encroachment of puramboke land by respondents 5 and 6 and since 6th respondent's counsel submitted that encroachment is done in fact by the petitioner, W.P. is disposed of with direction to the second respondent to get an inspection done by the Tahsildar, measure the puramboke land and remove the encroachers whoever it may be, within a period of three months from the date of production of copy of this judgment by the petitioner. No adverse order should be passed or action taken by the Tahsildar against any person without notice and hearing such person.
